

## Photographer and Media Contract

Its an honor that you have considered me to be your Santa Claus this season. As a professional Santa performer, its my pleasure to work with you to bring the joy and happiness that Christmas emotes to the families and individuals.

As your Santa there are a few things that I need to be my best for our clients: the suits that Santa wears are made of heavy wool or velvet and sometimes in layers for the most authentic look. So, in the spirit of this I ask that the studio is kept at 68-70 degrees, so I am comfortable and be at my very best for you! Also, if there is a costume change, I will need an extra 7-15 minutes, depending on the complexity of the change, to look my best for the clients.

A break of ten minutes after each full hour of work is appropriate. A little cool water is always welcome. For Special Events, Santa will arrive approximately 15 minutes prior to appearance unless otherwise stipulated in this Agreement. All rates quoted include mileage within a 50-mile radius of Ave Maria, FL.

Total event Time:    hours at        an hour. A fifty percent non-refundable deposit is required within 10 days of this email as well as this form completed and emailed back. Remainder of payment upon arrival. Make the check payable to Mark Ross, pay in cash or PayPal.me/steamderby, choose friends

and family for payment. Professional insurance and Sunbiz registration available upon request.

Mr.Claus is the registered name of Alter Egos LLC, a Florida licensed company and is the property of said LLC. Signing this contract is legally binding in the state of Florida
